

# Got Legos?

As part of our fund-raising efforts during this year's Craft Fair, we will be collecting miscellaneous donated Legos and selling them at the Kid's Corner for a fee "per bag."

Any Legos are acceptable, new or old, packaged or loose, please consider donating Legos for our fair!

If you have any questions or would like to donate, please see Allison Larrow at pick up or feel free to contact me at [jandalarrow@rcn.com](mailto:jandalarrow@rcn.com) or (781) 962-8643. Thank you!
